## FROM THE DESK OF NAGASWAMY RAMASWAMY RETURNING OFFICER

### To Members of The Carnatic Music Association of North America, Inc

I have completed the auditing and verification of the hard copy votes and the summary excel spread sheet on Dec 11 2023 . My findings are:

- There were 121 ballots collected over a period of time. 4 were found invalid. 1 was duplicate and 11 were not found in membership list. Net valid votes received were 105. This resulted in exceeding 100 votes needed for the Quorum
- Count of valid votes for each of the proposal is more than 90 votes. See the summary below and refer to the Voting Tally Spread for details
  - Proposal 1 - 98
  - Proposal 2 - 102
  - Proposal 3 - 102
  - Proposal 4 - 94
  - Proposal 5 - 92
  - Proposal 6 - 96
  - Proposal 7 - 96
- Exceeded 51 votes needed for each proposal to pass.
  - Should you require any additional information, please do not hesitate to contact me.

My particular thanks to Sankar Narayanan for providing assistance to clarify the details in the spreadsheet.

My special thanks to Rhama and Sowmyan for diligently carrying the CMANA duties and serve the NJ music lovers with invaluable service.

Thanks
